Longitudinal Survey Research: Methodological Challenges

December 15-18, 2015

Institute of Philosophy and Sociology, Polish Academy of Sciences
Warsaw, Poland

Cross-national Studies: Interdisciplinary Research and Training program (CONSIRT) organizes the international event, *Longitudinal Survey Research: Methodological Challenges* (December 15-18, 2015, Warsaw Poland). The conference “The Present and Future of Longitudinal Cross-sectional and Panel Survey Research” (December 15-16) is the first part of this event. It is followed by the workshop “Harmonization of Survey and Non-Survey Data” (December 17-18), which discusses possibilities of harmonizing ex-post survey data, also with information from non-survey sources.
